Get a Drone's-Eye View of the World at CCAC

CCAC is offering an intensive, 18-hour drone course designed for business and industry personnel or hobbyists interested in learning to use a drone.

This class will provide would-be drone operators with hands-on flight practice and information on how to fly legally and efficiently. Topics such as routine maintenance, photo and video processing and FAA regulations will also be covered.

The cost of this course is $1,499, which includes a model quadcopter drone with camera, computer flight simulator and workbook.

Classes will meet on Mondays and Wednesdays from 4:00 p.m. to 7:00 p.m at:

Keystone Community Education Council
National Transit Building
206 Seneca St., Suite 30
Oil City, PA 16301

Classes begin October 31.

For more information, contact Lance Hummer at **lhummer@keystonecec.org** or **814.677.4427**; or Deb Killmeyer at **dkillmeyer@ccac.edu** or **412.788.7387**.

A computer with Windows operating system is required to complete take-home assignments.

CCAC OUR GOAL IS YOUR SUCCESS.
